

**The Worshipful Company of Farriers
Diploma Examination (Beveridge Method) Marking Sheet**

Date: _____ Examiner: _____ Candidate No:

For each element for each foot insert a tick (✓) in the column if the element is to the required standard. If an element is below standard, insert a cross (X) and also a comment to explain the shortfall. Then assess the overall standard of that foot for that section and circle one of the assessment boxes (Honours; above standard; required standard; below standard; Fail). Then insert a number from the range shown below the box as the mark for that foot. A Fail Mark (the shaded box) on any foot in any section will result in an overall practical 'Fail'. After each section both examiners moderate to between ± 10% for each foot (± marks as shown). An amalgamated mark sheet is sent with Fail Reports to Candidates, ATFs, and the College Tutor.
