

THE WORSHIPFUL COMPANY OF FARRIERS

College Post Examination Feedback Form

In order to comply with the regulatory arrangements for the QCF the colleges are requested to complete this feedback form and return it to the Registrar within 7 days of completion of each WCF examination session. The feedback should include any issues which may contribute to the WCF's Self-Evaluation process and contribute towards continuous improvement. Issues will be addressed at the EEG meeting immediately before the Presentation Ceremony, and subsequently actions will be agreed at the following Training Advisory Committee Meeting.

In particular any identified inequalities or barriers that may arise between people of different religions and beliefs, racial groups, ages, marital/civil partnership status and sexual orientations; between men and women generally; between disabled and non-disabled people; between persons of different political opinion; between those with dependants and those without; or on any other ground or status, must be reported to the Registrar.

During college staff consultations with relevant learners and/or their representatives they should establish whether there are any barriers to entry to WCF QCF units and qualifications for disabled people (except as specified in Appendix 4 Equality of Opportunity), for women or men, or people from different racial groups, other than those directly related to the integrity of the WCF QCF units or qualification. The nature of any barriers must be stated.
