

## FEE STRUCTURE 2020

(With effect from 1<sup>st</sup> January 2021)

### GENERAL

The fee structure is reviewed on an annual basis by the Examinations Board, and recommendations are made to the Court for endorsement. Examination fees for all examinations must be forwarded to the Registrar at least 12 weeks prior to the examination and 16 weeks prior to overseas examinations.

In the event that a candidate only achieves a partial pass in the Diploma examination and wishes to re-sit the failed part again, a discount of £200 will be applied. For FWCF candidates, the thesis may be resubmitted once within 12 months for the original fee. For partial retakes of the FWCF examination the Fee is discounted by £300. For all other examinations the full examination fee must be paid for the re-sit.

No refund will be made if a candidate fails any examination or module, or does not attend the examination on the appointed day, unless the Registrar has received an acceptable explanation in writing within 7 days of the date of the examination. No refunds will be made for examinations which have been arranged overseas. For all examinations in the UK the payment of the Cancellation Fee of £100 will allow the Examination Fee to be reapplied to the next set of examinations only, if paid at least 7 days in advance of the start date of the examination session from which the candidate wishes to withdraw.
