

## EVSA Placement report from Emma Horsnell-Shave.

Hosted by Paul Jones at DATR

Last week I spent a week in the Forge with the DATR as part of an award from The Worshipful Company of Farriers. The whole team were so welcoming and incredibly patient with a girl who has never forged anything from scratch and has half the arm strength they do!

I did however forge my first shoe from scratch, removed a few sets of shoes, and practiced digging out a keratoma and packing and casting a hoof. The whole week was filled with lots of learning and lots of laughter.

Thank you team for a wonderful week - I might take you up on the offer to 'come back anytime'!
